Success for All Elementary Schools in Kansas Gain on KSA – Reading

Kansas elementary schools using the Success for All reading program once again made significant gains on the Kansas State Assessment (KSA) in reading. **From 2003 to 2013, Kansas Success for All schools had a 25 percentage-point increase in the number of students in grades 3–5 who met or exceeded state standards.** Overall, Kansas schools gained 15 percentage points.

An Example of Success

Elk Valley Elementary School has implemented Success for All since 2001. In 2000, only 19 percent of Elk Valley's students scored proficient in reading. **In 2013, 92 percent of its students scored proficient or above.** Success for All is proud to be Elk Valley's partner in success.
