Clarifying

1. **Stop** when you don’t know or understand something.
2. Try **strategies** to figure it out.
   - If you can’t say a word:
     - Blend it.
     - Chunk it.
     - Look for a base word.
     - Reread it.
   - If you don’t know what a word or part means:
     - Use context clues.
     - Reread.
     - Read on.
     - Use your background knowledge.
     - Make a mind movie.
3. Use a **sticky note** to mark words or ideas you can’t figure out.
4. **Ask** your team for help.

Summarizing

Narrative

1. **Retell** important events or ideas.
   - Main characters
   - Setting
   - Story problem
   - Important events
   - Solution and ending
2. **Leave out** less-important information.
3. Keep it **short**.
